

## VALUE UPON DEMAND

ON THE ONWARD QUEST FOR SOMETHING ON ALL FRONTIERS EVERYMAN ATTRACTS A PRICE WHICH RENDERS HIM A COMMODITY. A FEW MEN MAINTAIN RELATIVE CONSCIENCE SO ATTRACT HIGH COST. A VAST MAJORITY OF OTHERS BECOME CONSCIENCELESS SO BECOME VERY CHEAP. BUT CERTAINLY TO BE FOUND IS ALWAYS A PRICE AND HENCE A TRADE WHOSE CONDUCT IS TACIT, DISCREET, OVERT OR ALL. THIS IS SUBTLY REFERRED TO AS COMPROMISE.
